

GABRIELE SERPELLA

QA TESTER

gabriele.serpella@gmail.com | Milan, MI, Italy | [LinkedIn](#) | [Website](#)

ABOUT ME

Eclectic QA tester with **2+ years of experience** and hands-on experience in the full **QA processes, bug tracking with JIRA, and Agile workflows**.

I managed the full QA lifecycle for a indie title published on **Steam**, called Steamrush, with **110k+ downloads**, developing test cases from conception to release.

I have followed also the QA processes of **two published slot game machines game**, both on mobile and casinos.
